

Bus Transportation Registration for 2016-17

Families are advised that registration of students for bus transportation for the 2016-17 school year will run from **May 3rd through June 30th, 2016**. In order to ride a district school bus, all new and returning riders must complete a registration form each year.

Registration can be initiated by using our online bus registration form, or in person at the Transportation Department (**NEW LOCATION**) located at 33919 Dewdney Trunk Road, during the business hours of 9:00 a.m. – 4:00 p.m. M-F. Please note, registration is not considered complete until full payment is received. If you are using the online form, you will be contacted directly by the Transportation office regarding payment arrangements.

Students who qualify to use district transportation services but have not registered by June 30th, or students who are cross boundary students, are not guaranteed transportation as it will depend on availability of service.

Any registrations received after the June 30th deadline will incur a **20% surcharge**.

The Transportation office will be closed between July 1st and August 19th, 2016. Online registrations may still be submitted during this time.
