Principal's Message

Dear Parents/Guardians:

We have just a few more days to go before the end of the school year! Where has all the time gone so quickly? I would like to take a moment to acknowledge all the hard work, determination, care and passion that have gone into making Cherry Hill a healthy and vibrant school community this year. Recent school events such as our Kindergarten graduation, Grade 6 farewell BBQ and Cherry Hill recognition assembly have reminded me just how far our students have come in a single year. Months of hard work have paid off and our student body should all be very proud of themselves! I would like to acknowledge Cherry Hill's staff and the countless hours of planning and preparation that went into making this year very successful! Your sons and daughters have been in very good hands! Finally, I would like to thank our parent community for all the volunteer hours that went into some of our most memorable events this year. Our parents played a pivotal role in shaping our school community, ultimately helping to foster a supportive and caring school community. Thank you everyone for all you have done for Cherry Hill this year!

Here are a few important dates:

June 26th, Schoolwide PAC Pizza Party

June 28th, Farewell Assembly, 10:20 (Gym)

June 28th, Last Day of School (full day), report cards go home at the end of the day

Sept 4th, First Day of School (half day)

Thank You,
Shane Sliziak, Principal

Farewell Assembly

A reminder that on Thursday, June 28th at 10:20 (apologies for the time change) we will be holding our Farewell Assembly. In this assembly we will say good-bye to and honour everyone that will be leaving Cherry Hill Elementary next year. This will include our exiting Gr. 6 students, retirees, and relocating staff. Parents are encouraged to attend!

Report Cards

Report cards for Term 3 will go home on the last day of school, Thursday, June 28th. Included with Term 3 reports will be final grades for each course and a student self-assessment for core competencies. If for any reason your son or daughter is not attending the last day of school, parents can pick up report cards at our office during regular business hours between June 29th and July 6th. Any remaining report cards will be mailed home in the summer.

2018-19 School Supply Lists

Updated school supply lists will be sent home on the last day of school, as well as posted to our website. A few parents have asked if supply packages will be available through Staples again this year. The answer to this question is yes, but please hold off on ordering until the end of the school year as we are in the process of updating our supply lists. Please note, that supply lists include basic supplies and each classroom typically asks parents to purchase a few items unique to each class in the fall.

Thank You to our Sponsors!

Our PAC purchased advertising space in the Mission City Record to thank all our amazing sponsors this year! We are simply amazed at the long list of companies that helped us in one way or another this year! Please see the attached 'Thank You' letter that appeared in the local paper.

Year End Clean Up

Our students will be responsible for making sure all their belongings go home with them before the end of the year. Items include: inside shoes, bags, clothes, unused school supplies, and completed work/activities. Please note, unclaimed items will likely be donated or discarded in the summer. Also, please take a moment to visit our Lost and Found. Remaining items will be donated to a local charity.

Library Books

If your son or daughter hasn't done so yet, please encourage them to return any library books. We still have a few missing books out there! Our goal is to have all books returned to us by Thursday, June 28th.

2018-19 Start Up Procedures

Parents, please note I will be sending a letter home via email in the second week of August outlining start-up procedures for our September return. Like this year, we are aiming to have students begin in their new classrooms on the first day of school.
