

*Mrs Widdows Class at winter Games*

Dear Cherry Hill Families,

February was a great month for our school!

Our Random Acts of Kindness Assembly was a great start and we are very proud of all the kind acts our staff noticed our students doing for Random Acts of Kindness Week, keep up the good work!

Our Grade 5 and 6 students have been playing volleyball, They have played against ESR, Hatzic, Christine Morrison and they are all having a lot of fun as well as learning sportsmanship and teamwork, We are all very proud of how well they are all playing!

Mrs. Widdows class played the chimes to O Canada at the Winter Games, It is a huge honor for a class from our school to be participating in this event, job well done!

Our school also has a new student council and they have been busy planning spirit days for our students. Thank you Miss Schaufert for getting this all organized. This is a great way for all students to have a say as to what goes on in their school community.

We look forward to another great month.
