Parking Lot Reminder

Please drive very slowly in the parking lot and avoid stopping in the **No Parking** zone where you block in other drivers. Whenever possible, please meet your child down one of the walkways to Best or Kudo. Please do not block driveways. Do not park or stop in the designated bus stop zone.

End of the School Day Student Pick-up

We are asking parents to wait outside the building until the bell at 2:23pm to pick-up their child(ren). This will help minimize the disruptions to the learning environment for students and teachers. Also, this will ensure we can monitor who is in the building for safety reasons. We thank you for your understanding!

Strong Start Program

What is StrongStart?

A place where... families are valued and recognized as their child's very first and most important teacher

A place that... models and supports family literacy

A place to... meet other children and their families

A place which... reflects the language and cultures of the community

A place where... information on parenting concerns, child development, school facilities, and local community resources are readily available

A place where... learning is fun. Parents and caregivers play alongside their child, therefore encouraging early learning.

A place where... children can develop emotionally, socially, physically, cognitively

StrongStart is designed for preschool aged children and their parent/caregiver; however children from birth to six

years of age are very welcome. We encourage the whole family to join us.
